### Product Details

Please complete appropriate information on page 2.

### Terms & Conditions

The company submitting this application ("Company"):

- (i) Certifies that the product for which it is seeking accreditation complies with the Ingeo Brand Policy
- (ii) Agrees to the terms of the Ingeo Trademark License Agreement, in the form most recently made available by NatureWorks LLC, and understands that upon approval by NatureWorks LLC, Company shall be a Licensee under such Agreement.
- (iii) Agrees to purchase solely from NatureWorks LLC's authorized licensees, any Ingeo fibers or textiles made from Ingeo fibers (yarns, fabrics, etc) used by Company to manufacture its commercial products
- (iv) Understands that Ingeo fiberfill has its own unique performance characteristics (and may perform differently for example, than either a natural down filling, or a petrochemical-based synthetic filling. Company confirms it has tested product suitability for the designated end use, and accepts sole responsibility for the end product performance,
- (v) Understands that in no event will NW LLC be liable to customer, or to any third party, for damages related to any lost business, lost profits, damage to goodwill or reputation and/or degradation in value of brands, trademarks, tradenames, service names, or service marks, or injury to persons, or for any indirect, consequential, incidental, special, punitive, or exemplary damages of any nature, whether arising out of breach of contract, warranty, tort (including negligence, failure to warn, or strict liability), contribution, indemnity, subrogation or otherwise.

A list of licensees is available at [www.ingeofibers.com](http://www.ingeofibers.com).
